

PUBLIC NOTICE

Notice is hereby given by Green Dream Foundation, a society registered under the Societies Registration Act, 1860, having its registered office at New Delhi (hereinafter referred to as "**the Foundation**"), to the public at large, and to all government departments, public sector undertakings, authorities, institutions and organisations, as under:

- 1) That it has come to the knowledge of the Foundation that certain unknown persons have fabricated letters on a forged letterhead bearing the name, logo and official contact details of the Foundation, affixed with a counterfeit seal of the Foundation, and have dispatched the same to senior government authorities at several places, representing them to be communications issued by the Foundation. The said letters bear the signatures of persons who have no association whatsoever with the Foundation.
- 2) That the Foundation categorically denies having issued, signed, authorised or dispatched the said letters. The said letters are forged and fabricated documents, do not emanate from the Foundation, and do not reflect its views in any manner whatsoever. The Foundation neither owns nor endorses their contents, and expressly disowns the said letters in their entirety.
- 3) That it is further clarified that the Foundation has not appointed, engaged or authorised any person, agency, consultant or organisation to issue letters, notices, representations or complaints on its behalf. Any person claiming to act for the Foundation in such capacity does so without authority and at his own peril.
- 4) That it is highlighted that the forgery of the letterhead and seal of the Foundation and the misuse of its identity constitute serious offences under the Bharatiya Nyaya Sanhita, 2023, including forgery, use of a forged document as genuine, counterfeiting of seal and cheating by personation, besides infringement of its intellectual property. The Foundation has formally repudiated the said letters before the concerned authorities and has initiated appropriate legal proceedings.
- 5) That all persons involved in the preparation, circulation or use of the said letters, including those who have instigated, financed, facilitated or derived any benefit from such acts, are hereby called upon to cease and desist forthwith. Failing this, the Foundation shall pursue each of them with the full rigour of law, by way of criminal prosecution as well as civil proceedings for injunction and damages, including exemplary damages, without any further notice.
- 6) That all government departments, public sector undertakings, authorities, institutions, organisations and persons who have received any letter or communication in the name of the Foundation are requested to inform the Foundation forthwith, to preserve the original letter along with its envelope, postal label and enclosures in their original condition, and to share with the Foundation a copy thereof, together with the date of receipt and any information regarding its source. Where such communication has been received by an office other than the one concerned, it is requested that the same be forwarded to the appropriate office, and that this notice be brought to its attention.
- 7) That the public is further informed that every genuine communication of the Foundation bears a reference number, is signed by its authorised signatory, and is simultaneously sent from its official email address, *reach@greendream.foundation*. Any communication not conforming to these conditions shall be deemed not to have been issued by the Foundation.
- 8) That it is expressly stated that any person, authority or institution acting upon, relying upon or circulating any such forged communication does so entirely at its own risk and responsibility. The Foundation shall in no manner be bound by, or answerable for, any such communication or for any consequence flowing therefrom.
- 9) That any person having information regarding the authors or senders of the said letters may contact the Foundation at *reach@greendream.foundation* or +91 99108 57735. All information so received shall be kept strictly confidential.
- 10) That this notice is issued without prejudice to all other rights and remedies available to the Foundation in law, civil as well as criminal, all of which are expressly reserved.
